Dear Colleagues,

As Editor-in-Chief of *Applied Sciences*, I am pleased to announce the winners of the *Applied Sciences* Travel Awards in Nanosciences and Optics fields for 2019.

They have been granted to: **Dr. Giuseppe Cavallaro** from the University of Palermo, who has demonstrated mobility in the field of Nanotechnology and Applied Nanosciences; and **Dr. Juan Sebastian Toterogongora**, a Helena Normanton Research Fellow in Quantum Technology, University of Sussex, United Kingdom.

## 2019 APPLIED SCIENCES TRAVEL AWARDS

# WINNERS

It was a difficult decision with such high-quality applications for the awards, and we would like to thank all applicants for submitting their diverse and fascinating range of research topics. On behalf of the assessment committee, I congratulate the winners for their accomplishments. We are proud to support these young scientists and wish them further success in their careers.

Editor-in-Chief

Prof. Dr. Takayoshi Kobayashi
