

pharmaceutics

Dear Colleagues,

On behalf of the Evaluation Committee, I am pleased to announce the winner of the *Pharmaceutics* 2017 Travel Award,

Mariusz Skwarczynski, a Postdoctoral Research Fellow at the School of Chemistry and Molecular Biosciences, The University of Queensland, Australia, who will be supported with 800 Swiss Francs towards his travel expenses to attend an academic conference in 2017. His research interests focus on development of self-adjuvanting delivery systems for peptide-based vaccines.

We would like to thank all the applicants for submitting the diverse and fascinating range of research topics. Please join me in congratulating Dr. Skwarczynski on his award!

Prof. Dr. Yvonne Perrie
Editor-in-Chief of *Pharmaceutics*

2017 TRAVEL AWARD WINNER

Pharmaceutics is an open access journal which provides an advanced forum for the dissemination of advances in the science and technology of pharmaceutics and biopharmaceutics. The journal is indexed by PubMed, Scopus and Google Scholar.
