Dear Colleagues,

We are pleased to announce the two winners of 2020 *Processes* Travel Awards: **Dr. Dinesh Krishnamoorthy**, a postdoctoral fellow at the Norwegian University of Science and Technology, Norway, and **Mr. Borja Hernández**, a Ph.D. student at the Universidad de Salamanca, Spain. Each winner received 800 Swiss Francs.

2020 TRAVEL AWARDS WINNERS

Dr. Krishnamoorthy's research focuses on Machine Learning for Process Optimization and Process Control. He plans to attend the American Control Conference (ACC2020) in Denver, USA, to present his work entitled "Real-Time Optimal Resource Allocation in an Industrial Symbiotic Network Using Transient Measurements".

Mr. Hernández works on Biogas Dry Reforming. He plans to attend the 30th European Symposium on Computer Aided Process Engineering (ESCAPE-30) in Milano, Italy, to present his work entitled "Systematic Generation of a Robust Compartment Model for Counter-Current Spray Dryers".

Congratulations to Dr. Krishnamoorthy and Mr. Hernández. We are grateful to all who submitted applications.

Evaluation Committee:
