

non-coding RNA

Dear Colleagues,

On behalf of the Editor-in-Chief, Prof. Dr. George A Calin, we would like to acknowledge our reviewers who generously offer their time to review the papers submitted to *Non-Coding RNA* by introducing an award for reviewers who have demonstrated their dedication, professionalism, and timeliness in reviewing manuscripts for the journal.

2022 OUTSTANDING REVIEWER AWARD

What are the requirements to be eligible for this award?

All of the reviewers for *Non-Coding RNA* in 2022 will be automatically included.

Selection Criteria:

- Number of review reports;
- The quality and timeliness of review reports.

What will the winners receive?

There will be two winners this year, and each will receive the following:

- CHF 300;
- The opportunity to publish a paper free of charge in *Non-Coding RNA* after peer review in 2023;
- A certificate.

When will the winners be announced?

The winners will be announced on 30 March 2023 on the journal website.

How can I make myself eligible?

If you have not yet reviewed papers for *Non-Coding RNA*, but would like to do so, you can register as a reviewer at the following link:
