

infrastructures

Dear Colleagues,

On behalf of the award committee, it is our pleasure to announce the winners of the *Infrastructures* 2021–2022 Travel Award.

2021–2022 TRAVEL AWARD WINNERS

The award have been granted to:

Dr. Angelo Aloisio, a Research Fellow in the Department of Civil Construction-Architectural and Environmental Engineering, University of L'Aquila, L'Aquila, Italy.

Dr. André Filipe Castanheira Alves Furtado, a Post-doctoral Research Fellow at the Faculty of Engineering, University of Porto, Porto, Portugal.

All the winners will receive CHF 600 (Swiss francs) and an electronic certificate.

With the numerous high-quality applicants considered for this award, there were challenges faced in the evaluation process and in making the final decision. We would like to thank all the applicants for submitting diverse and fascinating range of research topics. On behalf of the assessment committee, we congratulate the winners on their accomplishments.
