

Tropical Medicine and Infectious Disease

Dear Colleagues,

We are pleased to announce the winners of the *TropicalMed* 2022 John M Goldsmid Award. All papers published in *TropicalMed* from 1 January 2019 to 31 December 2020 were considered for the award. After a thorough evaluation of the originality and significance of the papers, citations, and downloads, three winners were selected.

One Review Article:

Asian Schistosomiasis: Current Status and Prospects for Control Leading to Elimination

By Catherine A. Gordon, Johanna Kurscheid, Gail M. Williams, Archie C. A. Clements, Yuesheng Li, Xiao-Nong Zhou, Jürg Utzinger, Donald P. McManus and Darren J. Gray

Trop. Med. Infect. Dis. **2019**, 4(1), 40; doi: 10.3390/tropicalmed4010040

One Research Article:

Drug Discovery for Chagas Disease: Impact of Different Host Cell Lines on Assay Performance and Hit Compound Selection

By Caio Haddad Franco, Laura Maria Alcântara, Eric Chatelain, Lucio Freitas-Junior and Carolina Borsoi Moraes

Trop. Med. Infect. Dis. **2019**, 4(2), 82; doi: 10.3390/tropicalmed4020082

One Outstanding Article:

One Health—Its Importance in Helping to Better Control Antimicrobial Resistance

By Peter J. Collignon and Scott A. McEwen

Trop. Med. Infect. Dis. **2019**, 4(1), 22; doi: 10.3390/tropicalmed4010022

In recognition of their accomplishments, each winner of the review article and the research article will receive a cash honorarium of CHF 300 and a chance to publish a free paper in *TropicalMed* before 31 December 2023. The winner of the outstanding article will receive a cash honorarium of CHF 200. Each winner will also receive a certificate.

Please join us in congratulating the winners of the *TropicalMed* 2022 John M Goldsmid Award. We would also like to take this opportunity to thank all of our authors for your continued support of *TropicalMed*.
