

Journal of  
*Manufacturing and  
Materials Processing*

Dear Colleagues,

As the Editor-in-Chief of *Journal of Manufacturing and Materials Processing (JMMP)*, I am pleased to announce the winner of the 2020 Travel Award sponsored by *JMMP*. The award was granted to **Mr. Shivesh Anand**, a PhD student of Maastricht University, the Netherlands. The award consists of 800 Swiss Francs to support attendance at the academic conference related to the scientific fundamentals and engineering methodologies of manufacturing and materials processing in 2020.

# 2020 TRAVEL AWARD WINNER

**Mr. Shivesh Anand's** current research is Biofabrication approaches towards manufacturing the human tympanic membrane, synergizing nano-biofabrication technologies together for manufacturing functional human tympanic membranes with a requisite vibro-acoustic and immunomodulatory response.

I would like to congratulate the winner and thank the selection committee for their excellent work in the hard task of selecting the winners from such a large number of excellent candidate profiles.
