

The editorial team would like to congratulate the winners of the 2019 *Pathogens* Best Paper Awards, who were chosen by a selection committee chaired by the Editor-in-Chief, Professor Lawrence S. Young.

The following two papers, in no particular order, have won the first prize of 2019 *Pathogens* Best Paper Awards:

Modeling HSV-1 Latency in Human Embryonic Stem Cell-Derived Neurons

Pathogens **2017**, 6(2), 24; doi: 10.3390/pathogens6020024

Available online: <https://www.mdpi.com/2076-0817/6/2/24>

Is *Toxoplasma gondii* a Trigger of Bipolar Disorder?

Pathogens **2017**, 6(1), 3; doi: 10.3390/pathogens6010003

Available online: <https://www.mdpi.com/2076-0817/6/1/3>

The following two papers, in no particular order, have won the second prize of 2019 *Pathogens* Best Paper Awards:

Evolution and Divergence of H3N8 Equine Influenza Viruses Circulating in the United Kingdom from 2013 to 2015

Pathogens **2017**, 6(1), 6; doi: 10.3390/pathogens6010006

Available online: <https://www.mdpi.com/2076-0817/6/1/6>

Interactions between Neutrophils and *Pseudomonas aeruginosa* in Cystic Fibrosis

Pathogens **2017**, 6(1), 10; doi: 10.3390/pathogens6010010

Available online: <https://www.mdpi.com/2076-0817/6/1/10>

The four winners will receive a certificate and an offer to publish a paper free of charge in *Pathogens* in 2020, after peer-review and processing. Each winner will additionally receive a bonus based on the award class:

First Award: 500 CHF each

Second Award: 300 CHF each

Please join us in congratulating the authors who have won the Best Paper Awards. We would also like to take this opportunity to thank all our authors for your continued support of *Pathogens*.

Kind regards,

Pathogens Editorial Office
