Hanoch Daniel Wagner

ISBN 978-3-7258-2168-6 (Hardback)

ISBN 978-3-7258-2167-9 (PDF)

Some of the current topics in Jewish genealogy include exploring the roots of Ashkenazi and Sephardic Jews, tracing the migration patterns of Jewish communities throughout history, and investigating the impact of historical events such as the Holocaust on Jewish families and communities.

This field also raises interesting questions about identity, migration, and the ways in which families and communities are connected through time and space. By examining the stories and histories of Jewish families, we can gain a deeper understanding of the complex and diverse nature of Jewish identity and culture, and the ways in which it has been shaped by historical events and geographic factors.

MDPI Books offers quality open access book publishing to promote the exchange of ideas and knowledge in a globalized world. MDPI Books encompasses all the benefits of open access – high availability and visibility, as well as wide and rapid dissemination. With MDPI Books, you can complement the digital version of your work with a high quality printed counterpart.

Open Access

Your scholarly work is accessible worldwide without any restrictions. All authors retain the copyright for their work distributed under the terms of the Creative Commons Attribution License.

Author Focus

Authors and editors profit from MDPI's over two decades of experience in open access publishing, our customized personal support throughout the entire publication process, and competitive processing charges as well as unique contributor discounts on book purchases.

High Quality & Rapid Publication

MDPI ensures a thorough review for all published items and provides a fast publication procedure. State-of-the-art research and time-sensitive topics are released with a minimum amount of delay.

High Visibility

Due to our global network and well-known channel partners, we ensure maximum visibility and broad dissemination. Title information of books is sent to international indexing databases and archives, such as the Directory of Open Access Books (DOAB), and the Verzeichnis Lieferbarer Bücher (VLB).

Print on Demand and Multiple Formats

MDPI Books are available for purchase and to read online at any time. Our print-on-demand service offers a sustainable, cost-effective and fast way to publish MDPI Books printed versions.
