This Special Issue of *Computation* presents 23 papers selected from the 14th International Conference on Computational Heat and Mass Transfer (ICCHMT2023), which was held in Düsseldorf, Germany, 4-8 September 2023, and organized by the Düsseldorf University of Applied Sciences. The ICCHMT2023 chairs were Prof. Dr. Ali Cemal Benim (Local Chair), Prof. Dr. Rachid Bennacer (Co-Chair), Prof. Abdulmajeed Mohamad (Founding Chair), Prof. Dr. Paweł Ochoń (Co-Chair), Prof. Dr. Sang-Ho Suh (Co-Chair), and Prof. Dr. Jan Taler (Co-Chair). The ICCHMT2023 had a great resonance in the technical and scientific communities all over the world. A total of 239 papers from more than 40 countries were presented at the conference. The selected 23 papers for the current Special Issue were then prepared in an extended form and subjected to a separate, regular peer review process steered by the editorial office of *Computation*.

MDPI Books offers quality open access book publishing to promote the exchange of ideas and knowledge in a globalized world. MDPI Books encompasses all the benefits of open access – high availability and visibility, as well as wide and rapid dissemination. With MDPI Books, you can complement the digital version of your work with a high quality printed counterpart.

Open Access

Your scholarly work is accessible worldwide without any restrictions. All authors retain the copyright for their work distributed under the terms of the Creative Commons Attribution License.

Author Focus

Authors and editors profit from MDPI's over two decades of experience in open access publishing, our customized personal support throughout the entire publication process, and competitive processing charges as well as unique contributor discounts on book purchases.

High Quality & Rapid Publication

MDPI ensures a thorough review for all published items and provides a fast publication procedure. State-of-the-art research and time-sensitive topics are released with a minimum amount of delay.

High Visibility

Due to our global network and well-known channel partners, we ensure maximum visibility and broad dissemination. Title information of books is sent to international indexing databases and archives, such as the Directory of Open Access Books (DOAB), and the Verzeichnis Lieferbarer Bücher (VLB).

Print on Demand and Multiple Formats

MDPI Books are available for purchase and to read online at any time. Our print-on-demand service offers a sustainable, cost-effective and fast way to publish MDPI Books printed versions.
