This reprint of the Special Issue “Sustainable Agri-Food Systems: Environment, Economy, Society and Policy—2nd Edition” consists of an editorial and 14 articles addressing topics such as the following:

1. Transitioning design-orienting scenarios for food systems;
2. Women’s leadership in sustainable agriculture;
3. Extension implications for Slow Food development;
4. Determinants of becoming sustainable agropreneurs;
5. Indigenous peoples’ psychological well-being amid transitions in shifting cultivation landscapes;
6. Assessing the sustainability of dual-purpose, dairy and beef cattle production systems;
7. Accelerating the transition to a low-carbon economy;
8. Spatiotemporal responses of vegetation to hydroclimatic factors in arid and semi-arid climates;
9. Food waste management during the COVID-19 pandemic;
10. Food security challenges in the context of the prolonged Russian–Ukrainian conflict;
11. Conceptualizing agri-food systems for a healthy, sustainable, and just transformation;
12. Blue in food and beverages;
13. Valuation in the agri-food system;
14. Transitioning agricultural systems and their effect on dietary diversity.

MDPI Books offers quality open access book publishing to promote the exchange of ideas and knowledge in a globalized world. MDPI Books encompasses all the benefits of open access – high availability and visibility, as well as wide and rapid dissemination. With MDPI Books, you can complement the digital version of your work with a high quality printed counterpart.

## Open Access

Your scholarly work is accessible worldwide without any restrictions. All authors retain the copyright for their work distributed under the terms of the Creative Commons Attribution License.

## Author Focus

Authors and editors profit from MDPI's over two decades of experience in open access publishing, our customized personal support throughout the entire publication process, and competitive processing charges as well as unique contributor discounts on book purchases.

## High Quality & Rapid Publication

MDPI ensures a thorough review for all published items and provides a fast publication procedure. State-of-the-art research and time-sensitive topics are released with a minimum amount of delay.

## High Visibility

Due to our global network and well-known channel partners, we ensure maximum visibility and broad dissemination. Title information of books is sent to international indexing databases and archives, such as the Directory of Open Access Books (DOAB), and the Verzeichnis Lieferbarer Bücher (VLB).

## Print on Demand and Multiple Formats

MDPI Books are available for purchase and to read online at any time. Our print-on-demand service offers a sustainable, cost-effective and fast way to publish MDPI Books printed versions.
