Special Issue Reprint

Physical Activity for Psychological and Cognitive Development

www.mdpi.com/books/reprint/11750

Edited by
Josune Rodríguez-Negro
Víctor Arufe-Giráldez

ISBN 978-3-7258-5469-1 (Hardback)
ISBN 978-3-7258-5470-7 (PDF)

Physical activity has multiple benefits for cognitive function, psychological variables, social skills and health, among other factors. The latest research and scientific studies reflect the evolution of and growing interest in this area. Even so, we must continue to advance the research on this topic. The aim of this Special Issue is to disseminate high-quality research related to cognitive and psychological development through physical activity. These original research articles deepen and expand our understanding of the role of physical activity in relation to cognitive performance, psychological variables and physical, mental, and psychosocial health.

MDPI Books offers quality open access book publishing to promote the exchange of ideas and knowledge in a globalized world. MDPI Books encompasses all the benefits of open access – high availability and visibility, as well as wide and rapid dissemination. With MDPI Books, you can complement the digital version of your work with a high quality printed counterpart.

Open Access

Your scholarly work is accessible worldwide without any restrictions. All authors retain the copyright for their work distributed under the terms of the Creative Commons Attribution License.

Author Focus

Authors and editors profit from MDPI's over two decades of experience in open access publishing, our customized personal support throughout the entire publication process, and competitive processing charges as well as unique contributor discounts on book purchases.

High Quality & Rapid Publication

MDPI ensures a thorough review for all published items and provides a fast publication procedure. State-of-the-art research and time-sensitive topics are released with a minimum amount of delay.

High Visibility

Due to our global network and well-known channel partners, we ensure maximum visibility and broad dissemination. Title information of books is sent to international indexing databases and archives, such as the Directory of Open Access Books (DOAB), and the Verzeichnis Lieferbarer Bücher (VLB).

Print on Demand and Multiple Formats

MDPI Books are available for purchase and to read online at any time. Our print-on-demand service offers a sustainable, cost-effective and fast way to publish MDPI Books printed versions.
