ISBN 978-3-7258-5772-2 (PDF)

In recent years, with the rapid development of medical equipment, surgical techniques, and biomaterials, the field of oral and maxillofacial surgery has progressed to providing digital and personalized treatments. This includes digital imaging, digital impressions, jaw modeling, 3D planning of complex oral prosthetics, osteophytes and implant placement, and minimally invasive surgery, such as endoscopic and functional surgery. This Reprint, entitled "New Updates in Oral and Maxillofacial Surgery", aims to discuss personalized treatment and future trends in oral and maxillofacial surgery. A variety of topics are discussed, including the following:

Orthognathic surgery and surgical treatment/correction of dental and maxillofacial malformations;

Head and neck cosmetic surgery;

Oral cancer;

Reconstructive surgery;

Management of oral diseases;

New methods and techniques in oral and maxillofacial surgery;

Oral and maxillofacial soft and hard tissue trauma and reconstruction techniques;

osteonecrosis of the jaw;

and therapeutic tools for the management of potentially malignant diseases of the oral cavity;

Temporomandibular joint (TMJ) disorders.

MDPI Books offers quality open access book publishing to promote the exchange of ideas and knowledge in a globalized world. MDPI Books encompasses all the benefits of open access – high availability and visibility, as well as wide and rapid dissemination. With MDPI Books, you can complement the digital version of your work with a high quality printed counterpart.

Open Access

Your scholarly work is accessible worldwide without any restrictions. All authors retain the copyright for their work distributed under the terms of the Creative Commons Attribution License.

Author Focus

Authors and editors profit from MDPI's over two decades of experience in open access publishing, our customized personal support throughout the entire publication process, and competitive processing charges as well as unique contributor discounts on book purchases.

High Quality & Rapid Publication

MDPI ensures a thorough review for all published items and provides a fast publication procedure. State-of-the-art research and time-sensitive topics are released with a minimum amount of delay.

High Visibility

Due to our global network and well-known channel partners, we ensure maximum visibility and broad dissemination. Title information of books is sent to international indexing databases and archives, such as the Directory of Open Access Books (DOAB), and the Verzeichnis Lieferbarer Bücher (VLB).

Print on Demand and Multiple Formats

MDPI Books are available for purchase and to read online at any time. Our print-on-demand service offers a sustainable, cost-effective and fast way to publish MDPI Books printed versions.
