Edited by
Joanna Wojtkowiak
Brenda Mathijssen

ISBN 978-3-0365-5415-0 (Hardback)
ISBN 978-3-0365-5416-7 (PDF)

Birth and death are both profound life transitions, revealing deeply existential, social, and spiritual questions in addition to various forms of ritual and ritualizing. While birth and death are often seen as opposites, this edited volume shows that the start and end of life share many ambiguities. They represent a beginning and an end, and lead to ritualizing as well as embodied forms of spirituality. Throughout the book, the authors discuss theoretical and empirical perspectives on rituals at birth and death from multidisciplinary perspectives, such as religious studies, anthropology, philosophy, and sociology. By doing so, they shed light on new forms of ritualizing, as well as on traditional rituals.

MDPI Books offers quality open access book publishing to promote the exchange of ideas and knowledge in a globalized world. MDPI Books encompasses all the benefits of open access – high availability and visibility, as well as wide and rapid dissemination. With MDPI Books, you can complement the digital version of your work with a high quality printed counterpart.

Open Access

Your scholarly work is accessible worldwide without any restrictions. All authors retain the copyright for their work distributed under the terms of the Creative Commons Attribution License.

Author Focus

Authors and editors profit from MDPI's over two decades of experience in open access publishing, our customized personal support throughout the entire publication process, and competitive processing charges as well as unique contributor discounts on book purchases.

High Quality & Rapid Publication

MDPI ensures a thorough review for all published items and provides a fast publication procedure. State-of-the-art research and time-sensitive topics are released with a minimum amount of delay.

High Visibility

Due to our global network and well-known channel partners, we ensure maximum visibility and broad dissemination. Title information of books is sent to international indexing databases and archives, such as the Directory of Open Access Books (DOAB), and the Verzeichnis Lieferbarer Bücher (VLB).

Print on Demand and Multiple Formats

MDPI Books are available for purchase and to read online at any time. Our print-on-demand service offers a sustainable, cost-effective and fast way to publish MDPI Books printed versions.
