Special Issue Reprint

Challenging the Status Quo to Shape Food Systems Transformation from a Nutritional and Food Security Perspective: Second Edition

www.mdpi.com/books/reprint/7291

Edited by
António Raposo
Renata Puppin Zandonadi
Raquel Braz Assunção Botelho

The present reprint aimed to present original research articles and reviews concerning the following:

Access: affordability, allocation, and preference of food;
Availability: the production, distribution, and exchange of food;
Circularity in food systems at local, regional, or global levels;
The development, impact, and ethics of novel and data-driven technologies in food systems;
Food security and policy, governance, institutions, and trade;
Influencing food consumption and demand regarding the food environment;
The stability and dynamics of food security aspects;
Sustainable food systems and agro-ecological food production;
Utilization: the nutritional value, social value, and safety of food.

MDPI⟍Books
Publishing Open Access Books & Series

MDPI Books offers quality open access book publishing to promote the exchange of ideas and knowledge in a globalized world. MDPI Books encompasses all the benefits of open access – high availability and visibility, as well as wide and rapid dissemination. With MDPI Books, you can complement the digital version of your work with a high quality printed counterpart.

Open Access
Your scholarly work is accessible worldwide without any restrictions. All authors retain the copyright for their work distributed under the terms of the Creative Commons Attribution License.

Author Focus
Authors and editors profit from MDPI's over two decades of experience in open access publishing, our customized personal support throughout the entire publication process, and competitive processing charges as well as unique contributor discounts on book purchases.

High Quality & Rapid Publication
MDPI ensures a thorough review for all published items and provides a fast publication procedure. State-of-the-art research and time-sensitive topics are released with a minimum amount of delay.

High Visibility
Due to our global network and well-known channel partners, we ensure maximum visibility and broad dissemination. Title information of books is sent to international indexing databases and archives, such as the Directory of Open Access Books (DOAB), and the Verzeichnis Lieferbarer Bücher (VLB).

Print on Demand and Multiple Formats
MDPI Books are available for purchase and to read online at any time. Our print-on-demand service offers a sustainable, cost-effective and fast way to publish MDPI Books printed versions.
