## **Advances in the Management of Cardiovascular Disease**

[www.mdpi.com/books/reprint/7949](http://www.mdpi.com/books/reprint/7949)

Edited by

Michał Cieurzyński

Justyna Domienik-Karłowicz

ISBN 978-3-0365-8874-2 (Hardback)

ISBN 978-3-0365-8875-9 (PDF)

The common threat of cardiovascular diseases (CVDs) constantly holds a dominant position among the leading causes of global mortality. These diseases are everywhere and, combined with many risks, make studying heart problems both challenging and very important. This reprint contains many interesting topics, such as the diagnostic and treatment methods of left main coronary artery (LMCA) disease and the exploration of cardiovascular implications of other diseases. It includes many hot topics related to the cardiovascular disease.

MDPI Books offers quality open access book publishing to promote the exchange of ideas and knowledge in a globalized world. MDPI Books encompasses all the benefits of open access – high availability and visibility, as well as wide and rapid dissemination. With MDPI Books, you can complement the digital version of your work with a high quality printed counterpart.

### **Open Access**

Your scholarly work is accessible worldwide without any restrictions. All authors retain the copyright for their work distributed under the terms of the Creative Commons Attribution License.

### **Author Focus**

Authors and editors profit from MDPI's over two decades of experience in open access publishing, our customized personal support throughout the entire publication process, and competitive processing charges as well as unique contributor discounts on book purchases.

### **High Quality & Rapid Publication**

MDPI ensures a thorough review for all published items and provides a fast publication procedure. State-of-the-art research and time-sensitive topics are released with a minimum amount of delay.

### **High Visibility**

Due to our global network and well-known channel partners, we ensure maximum visibility and broad dissemination. Title information of books is sent to international indexing databases and archives, such as the Directory of Open Access Books (DOAB), and the Verzeichnis Lieferbarer Bücher (VLB).

### **Print on Demand and Multiple Formats**

MDPI Books are available for purchase and to read online at any time. Our print-on-demand service offers a sustainable, cost-effective and fast way to publish MDPI Books printed versions.
