ISBN 978-3-03897-245-7 (PDF)

Trump and Trumpism, 21st century warfare, chronic illness, intellectual property: These are just some of the issues examined here. Inspired by the work of Michel Foucault, this book includes articles from scholars employing political genealogy as a methodology and model of theoretical inquiry representing a wide range of disciplines, from the social sciences to the humanities, from philosophy to medicine, to economics, to political and cultural theory. Featuring some of the best and most current work in political genealogy, this work invites us to rethink many of the key concepts in political theory as well as cultural types of expression that we do not routinely think of as political, such as dance, romantic movies, and literature. Broadly conceived, this volume contains essays—excursions, explorations, experimentations—into how political genealogy helps us to understand what Foucault calls “the history of our present,” while at the same time looking to our future, to what being a political subject will look like in the 21st century.

MDPI Books offers quality open access book publishing to promote the exchange of ideas and knowledge in a globalized world. MDPI Books encompasses all the benefits of open access – high availability and visibility, as well as wide and rapid dissemination. With MDPI Books, you can complement the digital version of your work with a high quality printed counterpart.

Open Access

Your scholarly work is accessible worldwide without any restrictions. All authors retain the copyright for their work distributed under the terms of the Creative Commons Attribution License.

Author Focus

Authors and editors profit from MDPI's over two decades of experience in open access publishing, our customized personal support throughout the entire publication process, and competitive processing charges as well as unique contributor discounts on book purchases.

High Quality & Rapid Publication

MDPI ensures a thorough review for all published items and provides a fast publication procedure. State-of-the-art research and time-sensitive topics are released with a minimum amount of delay.

High Visibility

Due to our global network and well-known channel partners, we ensure maximum visibility and broad dissemination. Title information of books is sent to international indexing databases and archives, such as the Directory of Open Access Books (DOAB), the Verzeichnis lieferbarer Bücher (VLB).

Print on Demand and Multiple Formats

MDPI Books are available for purchase and to read online at any time. Our print-on-demand service offers a sustainable, cost-effective and fast way to publish MDPI Books printed versions.
