New Perspectives on Pop Culture

www.mdpi.com/books/reprint/8164

Edited by
Daniel Stein
Niels Werber

ISBN 978-3-0365-8922-0 (Hardback)
ISBN 978-3-0365-8923-7 (PDF)

While the established qualitative meaning of the term ‘popular culture’ remains pertinent, as superhero comics and pop music, Hollywood films and TV thrillers, and pulp fiction and videogames are still quite naturally assigned to the realm of popular culture and thus excluded from high culture, this Special Issue explores recent shifts from the qualitative to the quantitative dimensions of the popular in order to re-evaluate the significance of the high/low culture difference. The chapters in this reprint reassess the gap between high and low culture in an effort to rethink conventional notions of pop and the popular and acknowledge quantified popularity’s increasing significance as a scalable force in contemporary society.

MDPI Books offers quality open access book publishing to promote the exchange of ideas and knowledge in a globalized world. MDPI Books encompasses all the benefits of open access – high availability and visibility, as well as wide and rapid dissemination. With MDPI Books, you can complement the digital version of your work with a high quality printed counterpart.

Open Access

Your scholarly work is accessible worldwide without any restrictions. All authors retain the copyright for their work distributed under the terms of the Creative Commons Attribution License.

Author Focus

Authors and editors profit from MDPI's over two decades of experience in open access publishing, our customized personal support throughout the entire publication process, and competitive processing charges as well as unique contributor discounts on book purchases.

High Quality & Rapid Publication

MDPI ensures a thorough review for all published items and provides a fast publication procedure. State-of-the-art research and time-sensitive topics are released with a minimum amount of delay.

High Visibility

Due to our global network and well-known channel partners, we ensure maximum visibility and broad dissemination. Title information of books is sent to international indexing databases and archives, such as the Directory of Open Access Books (DOAB), and the Verzeichnis Lieferbarer Bücher (VLB).

Print on Demand and Multiple Formats

MDPI Books are available for purchase and to read online at any time. Our print-on-demand service offers a sustainable, cost-effective and fast way to publish MDPI Books printed versions.
