Michael D. Robinson

ISBN 978-3-7258-1349-0 (Hardback)  
ISBN 978-3-7258-1350-6 (PDF)

Emotionally intelligent people are thought to be more skilled in recognizing, thinking about, using, and managing emotions. Enthusiasm for this construct has given rise to a mixed body of findings, and it is useful to begin charting new directions for the field. In support of these efforts, experts were asked to contribute to a Special Issue on ability-related approaches to emotional intelligence (EI). Special Issue papers speak to theory, mechanism, measurement, and training. In addition, papers seek to forge links with research traditions focused on interpersonal perception, emotional awareness, and emotion regulation. As the result of these efforts, new insights into EI—such as what it consists of and how it works—can be anticipated in upcoming years.

MDPI Books offers quality open access book publishing to promote the exchange of ideas and knowledge in a globalized world. MDPI Books encompasses all the benefits of open access – high availability and visibility, as well as wide and rapid dissemination. With MDPI Books, you can complement the digital version of your work with a high quality printed counterpart.

### **Open Access**

Your scholarly work is accessible worldwide without any restrictions. All authors retain the copyright for their work distributed under the terms of the Creative Commons Attribution License.

### **Author Focus**

Authors and editors profit from MDPI's over two decades of experience in open access publishing, our customized personal support throughout the entire publication process, and competitive processing charges as well as unique contributor discounts on book purchases.

### **High Quality & Rapid Publication**

MDPI ensures a thorough review for all published items and provides a fast publication procedure. State-of-the-art research and time-sensitive topics are released with a minimum amount of delay.

### **High Visibility**

Due to our global network and well-known channel partners, we ensure maximum visibility and broad dissemination. Title information of books is sent to international indexing databases and archives, such as the Directory of Open Access Books (DOAB), and the Verzeichnis Lieferbarer Bücher (VLB).

### **Print on Demand and Multiple Formats**

MDPI Books are available for purchase and to read online at any time. Our print-on-demand service offers a sustainable, cost-effective and fast way to publish MDPI Books printed versions.
