Special Issue Reprint

Investigating Language Variation and Change in Portuguese

www.mdpi.com/books/reprint/9839

Edited by
Patrícia Amaral

ISBN 978-3-7258-2062-7 (Hardback)
ISBN 978-3-7258-2061-0 (PDF)

This Special Issue brings together 12 articles featuring state-of-the-art research on language variation and change in Portuguese. The data derive from multiple corpora of Portuguese, representing different regional and historical varieties: (contemporary) Angolan, Brazilian, European, Mozambican, Santomean, and Uruguayan Portuguese, as well as Medieval and Classical Portuguese. This Special Issue brings to the forefront analyses of understudied phenomena in Portuguese and discusses the contributions of the findings to current debates in theoretical linguistics.

MDPI Books offers quality open access book publishing to promote the exchange of ideas and knowledge in a globalized world. MDPI Books encompasses all the benefits of open access – high availability and visibility, as well as wide and rapid dissemination. With MDPI Books, you can complement the digital version of your work with a high quality printed counterpart.

Open Access

Your scholarly work is accessible worldwide without any restrictions. All authors retain the copyright for their work distributed under the terms of the Creative Commons Attribution License.

Author Focus

Authors and editors profit from MDPI's over two decades of experience in open access publishing, our customized personal support throughout the entire publication process, and competitive processing charges as well as unique contributor discounts on book purchases.

High Quality & Rapid Publication

MDPI ensures a thorough review for all published items and provides a fast publication procedure. State-of-the-art research and time-sensitive topics are released with a minimum amount of delay.

High Visibility

Due to our global network and well-known channel partners, we ensure maximum visibility and broad dissemination. Title information of books is sent to international indexing databases and archives, such as the Directory of Open Access Books (DOAB), and the Verzeichnis Lieferbarer Bücher (VLB).

Print on Demand and Multiple Formats

MDPI Books are available for purchase and to read online at any time. Our print-on-demand service offers a sustainable, cost-effective and fast way to publish MDPI Books printed versions.
