Acknowledgment to the Reviewers of Aquaculture Journal in 2022

High-quality academic publishing is built on rigorous peer review. Aquaculture Journal was able to uphold its high standards for published papers due to the outstanding efforts of our reviewers. Thanks to the efforts of our reviewers in 2022, the median time to first decision was 20.5 days and the median time to publication was 47 days. Regardless of whether the articles they examined were ultimately published, the editors would like to express their appreciation and thank the following reviewers for the time and dedication that they have shown Aquaculture Journal:
