Missing Funding

In the original publication [1], the funding statement read as follows: "**Funding:** This research received no external funding."

The authors state that the funding information was erroneously omitted. The following statement is correct: "**Funding:** The studies were supported by research grants 2021_EKTP08 and 2022_EKTP10 from ForTra gGmbH for Research Transfer of the Else Kröner-Fresenius Foundation to HB."

The authors state that the scientific conclusions are unaffected. This correction was approved by the Academic Editor. The original publication has also been updated.
