† Presented at the 3rd International Electronic Conference on Nutrients, 1–15 November 2023; Available online: <https://iecn2023.sciforum.net/>.

In submitting conference proceedings to *Biology and Life Sciences Forum*, the volume editors of the proceedings certify to the publisher that all papers published in this volume have been subjected to peer review administered by the volume editors. Reviews were conducted by expert referees to the professional and scientific standards expected of a proceedings journal.

- Type of peer review: single-blind
- Conference submission management system: Sciforum
- Number of submissions sent for review: 51
- Number of submissions accepted: 29
- Number of submissions published: 26
- Acceptance rate (number of submissions accepted/number of submissions received): 0.57
- Average number of reviews per paper: 3
- Total number of reviewers involved: 100
- Any additional information on the review process: N/A
