Previously, *Cardiogenetics* [1] was published by PAGEPress from Volume 1 (2011) to Volume 10, Issue 1 (2020). From Volume 10, Issue 2, (2020) onwards, *Cardiogenetics* has been published by MDPI.

Previous open access articles that were in Volume 1–Volume 10, Issue 2, and published by PAGEPress under a CC-BY (or CC-BY-NC-ND) licence are now hosted by MDPI on mdpi.com as a courtesy and upon agreement with PAGEPress.

To standardize the metadata format of all of the previous articles, MDPI has republished 88 articles in Volume 1–Volume 10, Issue 1 with article numbers replacing page numbers (Table 1). MDPI has also corrected Issue Number errors that occurred while importing the batch data for 14 articles from Volumes 1–3 (Table 2).

**Table 1.** MDPI has changed the page numbers to articles numbers for 88 articles originally published in Volumes 1–10.
