Removing an Author

Author “David A. Levin” is removed as an author in the publication [1]. The corrected Author Contributions Statement appears here.

Author Contributions: Conceptualization, N.E.G.; methodology, Y.K., N.E.G., A.G.M. and K.A.U.; software, Y.K.; validation, Y.K. and A.G.M.; formal analysis, Y.K.; investigation, Y.K., N.E.G., A.G.M. and K.A.U.; resources, N.E.G.; data curation, Y.K. and N.E.G.; writing—original draft preparation, Y.K.; writing—review and editing, N.E.G., A.G.M. and K.A.U.; visualization, Y.K.; supervision, N.E.G.; project administration, N.E.G.; funding acquisition, N.E.G. All authors have read and agreed to the published version of the manuscript.

Affiliation

Additionally, the previous Affiliation 4 has been adjusted to Affiliation 3. “Affiliation 3” should be “Tijuana River National Estuarine Research Reserve, San Diego, CA 91932, USA; kuyeda@sdsu.edu”.

The authors apologize for any inconvenience caused and state that the scientific conclusions are unaffected. This correction was approved by the Academic Editor. The original publication has also been updated.
