Editorial

Acknowledgment to the Reviewers of Construction Materials in 2022

Construction Materials Editorial Office

High-quality academic publishing is built on rigorous peer review. Construction Materials was able to uphold its high standards for published papers due to the outstanding efforts of our reviewers. Thanks to the efforts of our reviewers in 2022, the median time to first decision was 29 days and the median time to publication was 53.5 days. Regardless of whether the articles they examined were ultimately published, the editors would like to express their appreciation and thank the following reviewers for the time and dedication that they have shown Construction Materials:
