The Editorial Office of *Engineering Proceedings* retracts the article, Designing an ASR Corpus for the Albanian Language [1], cited above.

Following publication, the Editorial Office noticed that the paper had been rejected by the Conference committee during the peer-review process, however, mistakenly published due to an internal editorial error.

Adhering to our ethics policy, the Editorial office decided to be transparent about this issue and retract the paper. We regret that the issue was not identified earlier and apologize to readers of the journal.

The authors did not provide a comment on this retraction.
