[†] All papers published in this volume are presented at the International Conference on Recent Advances in Science and Engineering, Dubai, United Arab Emirates, 4–5 October 2023.

In submitting conference proceedings to *Engineering Proceedings*, the volume editors of the proceedings certify to the publisher that all papers published in this volume have been subjected to a peer-review process administered by the volume editors. The reviews were conducted by expert referees to the professional and scientific standards expected of a proceedings journal.

- Type of peer review: Single-blind.
- Conference submission management system: through Google Forms.
- Total number of abstracts received: 784.
- Total number of abstracts shortlisted: 700.
- Number of submissions sent for review: 700.
- Number of submissions accepted: 360.
- Acceptance rate (number of submissions accepted/number of submissions received): 51%.
- Average number of reviews per paper: 2.
- Total number of reviewers involved: 245.
- Peer review criteria and process: Figure 1.
