Missing Funding

In the original publication [1], the funder, The Pontificia Universidad Católica del Ecuador, which provided funds for the Forensic Entomology Project used to carry out the monitoring in Ecuador (PUCE: N13456A), was not included.

Missing Acknowledgements

In the original publication [1], acknowledgements were not included. We wanted to thank the Entomology Laboratory at the Pontificia Universidad Católica del Ecuador (PUCE), especially Álvaro Barragán, who led and directed the Forensic Entomology Project. We also wanted to thank Saúl Aguirre, Ana Torres-Donoso and Emilia Moreno for their collaboration in the fieldwork and identification of samples in the Ecuador study.

Email Replacement

Replacing the email address of author Lauren M. Weidner:

lauren.weidner@asu.com

with

lauren.weidner@asu.edu

The authors state that the scientific conclusions are unaffected. This correction was approved by the Academic Editor. The original publication has also been updated.
