Editorial

Acknowledgment to the Reviewers of Journal of Cybersecurity and Privacy in 2022

Journal of Cybersecurity and Privacy Editorial Office

High-quality academic publishing is built on rigorous peer review. Journal of Cybersecurity and Privacy was able to uphold its high standards for published papers due to the outstanding efforts of our reviewers. Thanks to the efforts of our reviewers in 2022, the median time to first decision was 20 days and the median time to publication was 55.5 days. Regardless of whether the articles they examined were ultimately published, the editors would like to express their appreciation and thank the following reviewers for the time and dedication that they have shown Journal of Cybersecurity and Privacy:
