dentistry journal

an Open Access Journal by MDPI
The Dentistry Journal (ISSN 2304-6767) is an official, peer-reviewed publication of MDPI, which transmits original papers as well as review articles from the entire field of dentistry to the scientific community. The Dentistry Journal supports scientific innovations, and clinical and experimental research within the whole field of dentistry and its related areas. The Dentistry Journal in particular supports interdisciplinary and translational studies. The Dentistry Journal provides a unique opportunity to contribute high quality articles and to take advantage of its large readership.
