Editor-in-Chief

Prof. Dr. Peter Glavič

Message from the Editor-in-Chief

You are invited to contribute either a research article or a comprehensive review for consideration and publication in *Standards* (ISSN 2305-6703). *Standards* is published in open access format – research articles, reviews, and other content are released on the internet immediately after acceptance. The scientific community and the general public have unlimited, free access to the content. As an open access journal, *Standards* is supported by the authors and their institutes through the payment of article processing charges (APCs) for accepted papers. We would be pleased to welcome you as one of our authors. From **30 June 2022** to **30 June 2023**, all submissions (once accepted after peer review) to *Standards* will be published **free of charge**. To take advantage of this opportunity, please submit before the deadline.

Author Benefits

-  **Open Access** Unlimited and free access for readers
-  **No Copyright Constraints** Retain copyright of your work and free use of your article
-  **Thorough Peer-Review**
-  **Discounts on Article Processing Charges (APC)** If you belong to an institute that participates with the MDPI Institutional Open Access Program. From **30 June 2022** to **30 June 2023**, all submissions (once accepted after peer review) to *Standards* will be published free of charge
-  **High Visibility** Indexed within Academic OneFile (Gale)
-  **No Space Constraints, No Extra Space or Color Charges** No restriction on the maximum length of the papers, number of figures or colors
-  **Rapid Publication** First decisions in 16 days; acceptance to publication in 5.8 days (median values for MDPI journals in the second half of 2022)
