Message from the Editors in Chief

Nutrients is an on-line open access journal that was first published in 2009. Nutrients adheres to rigorous peer-review and editorial processes and publishes only high quality manuscripts that address important issues related to the impacts of nutrients on human health. The Impact Factor of Nutrients has risen rapidly since its establishment and it is now ranked in the first quartile of journals publishing in the field of nutrition and dietetics research.

Author Benefits

Open Access Unlimited and free access for readers

No Copyright Constraints Retain copyright of your work and make free use of your article

Thorough Peer-Review

2020 Impact Factor: 5.719 (Journal Citation Reports - Clarivate, 2021)

Discounts on Article Processing Charges (APC) If you belong to an institute that participates with the MDPI Institutional Open Access Program

No Space Constraints, No Extra Space or Color Charges No restriction on the length of the papers, number of figures or colors

Coverage by Leading Indexing Services Scopus, SCIE (Web of Science), PubMed, MEDLINE, PMC, Embase, AGRICOLA, AGRIS, and many other databases

Rapid publication First decision provided to authors approximately 19.6 days after submission; acceptance to publication is undertaken in 2.6 days (median values for papers published in this journal in the second half of 2021)
Aims and Scope

*Nutrients* will consider manuscripts for publication that provide novel insights into the impacts of nutrients on human health. This includes manuscripts describing the outcomes of animal studies that have relevance to human health.

The scope of *Nutrients* includes:

- Macro- and micronutrients
- Essential and bioactive nutrients
- Human nutrient requirements
- Human nutrition aspects of plant, animal and marine nutrient sources functional foods
- Supplements, nutraceuticals
- Dietary intervention trials
- Health claims
- Diet-related disorders
- Malnutrition
- Sport nutrition
