Message from the Editor-in-Chief

The journal *Medicina*, has been issued since 1920, and is a peer-reviewed, monthly journal that mainly focuses on publishing reviews and clinical and experimental studies. *Medicina* publications cater to clinicians, diagnosticians and researchers, and serves as a forum to discuss the current status of health-related matters and their impact on a global and local scale. The journal aims to report advanced knowledge related to problems in medicine, disseminate research on global health, and promote and foster prevention and treatment of diseases worldwide. Please consider *Medicina* for your next publication of novel and innovative research.
