Message from the Editor-in-Chief

Tourism and Hospitality seeks to nurture critical development in the domain of tourism and hospitality, to extend the frontiers of knowledge in the field, and to provide a global forum for the exchange of opinions and ideas. I encourage you to submit applied and theoretical research papers, critical review papers, research notes, and perspective papers, which analyze a current research topic of substantial contemporary interest in which the author’s perspective sheds light on key findings on the research topic. Comment, rejoinder, and reply papers can also be submitted. Interdisciplinary approaches are especially welcome, as is the submission of papers that are of relevance to practitioners and the wider industry.

Author Benefits

- **Open Access**  Unlimited and free access for readers
- **No Copyright Constraints**  Retain copyright of your work and free use of your article
- **Thorough Peer-Review**
- **Discounts on Article Processing Charges (APC)**  If you belong to an institute that participates with the MDPI Institutional Open Access Program
- **No Space Constraints, No Extra Space or Color Charges**  No restriction on the maximum length of the papers, number of figures or colors
- **Rapid Publication**  First decision provided to authors approximately 20 days after submission; acceptance to publication is undertaken in 6.8 days (median values for papers published in this journal in the second half of 2022)
Aims and Scope
Tourism and Hospitality is an international, peer-reviewed, open-access journal that serves as a forum for publishing scholarly papers that advance the broad fields of tourism and hospitality. Academics and professionals with a background in marketing, management science, politics and policy making, economics geography, sociology, history, psychology, anthropology, events management, recreation, leisure, environmental management, and public administration will find the journal of particular interest.

The scope of Tourism and Hospitality includes, but is not limited to, the following topics:

- Consumer behavior and marketing;
- Human resource management;
- Demand and technological forecasting;
- Smart, virtual, and digital innovations;
- Branding and brand management;
- Design, planning, and development;
- Managing environmental, economic, and social impacts;
- Market segmentation, targeting, positioning;
- Social responsibility, sustainability, and ethics;
- Participatory, e-commerce, and sharing business models;
- Operations management;
- Training and staff development;
- Organizational behavior, values, and culture;
- Networking, partnerships, and collaboration;
- Gender and identity;
- Change management;
- Service, delivery, quality, and recovery;
- Risk, safety, security, and crisis management.
