Message from the Editor-in-Chief

Current Oncology is a scientific, peer-reviewed open access cancer journal established in 1994 and published bi-monthly. The field of clinical oncology is rapidly changing. This journal provides a platform to disseminate high-quality, original clinical research, expert reviews and periodic Special Issues with the clinical oncologist and healthcare provider audience in mind. Current Oncology is committed to recognizing outstanding clinical oncology research and provides rigorous peer-review and an efficient publication process.

Author Benefits

- **Open Access** Unlimited and free access for readers
- **No Copyright Constraints** Retain copyright of your work and free use of your article
- **High Visibility** Indexed within Scopus, SCIE (Web of Science), PubMed, MEDLINE, PMC, Embase, and many other databases
