Message from the Editor-in-Chief

I am honored and enthusiastic to serve as incoming Editor-in-Chief of Current Oncology. Since its establishment in 1994, Current Oncology has been playing an important role in the advancement of cancer care by disseminating new knowledge in the cancer care continuum. Current Oncology is affiliated with several key cancer societies and provides a global platform to share scientific progress in oncology. We strive for high standards and work together to maintain a rigorous and unbiased peer review process to publish high-quality articles. We have an outstanding editorial team which is committed to the success of Current Oncology.

Aims
Current Oncology represents a multidisciplinary medium encompassing health care workers in the field of cancer therapy to report upon and to review progress in the management of this disease. Articles published in the journal typically contain information that is relevant directly to clinical oncology practice, and have clear potential for application to the current or future practice of cancer medicine.
Scope
- Radiation oncology
- Biomarkers in oncology
- Surgical oncology
- Medical oncology
- Pediatric oncology
- Oncologic pathology
- Palliative care
- Geriatric oncology
- Psychosocial oncology
- Cancer genetics
- Cancer control and prevention
- Cancer rehabilitation and survivorship
- Immuno-oncology
- Integrative oncology
- Clinical trials
- Clinical oncology practice guidelines
