Message from the Editor-in-Chief

Life (ISSN 2075-1729) is an international, peer-reviewed open access journal that publishes scientific studies related to fundamental themes in life sciences. We publish individual papers and collections of articles that are assembled in Special Issues run by guest editors. We aim at providing fast, balanced, and constructive revisions that help authors improve their manuscripts, be they research articles, essays, or reviews. The journal has a large, international community of editors that strive to select articles based solely on their scientific soundness. We look forward to receiving your manuscript.
