# Message from the Editor-in-Chief

With warm greetings, it is a pleasure to invite you to contribute a research article or comprehensive review for consideration and publication in *Behavioral Sciences* (ISSN 2076-328X). *Behavioral Sciences* is an international, scientific, open access journal providing an advanced forum for discussions and research regarding the intersection between psychiatry, neuroscience, psychology, cognitive and behavioral sciences, and behavioral biology. More information are available at: <https://www.mdpi.com/journal/behavsci>. We would be pleased to welcome you as one of our authors and have the opportunity to consider your work for publication.

## Aims

*Behavioral Sciences* (ISSN 2076-328X) is a peer-reviewed journal that publishes original articles, critical and systematic reviews, research notes and short communications in the area of psychiatry, neuroscience, psychology, cognitive and behavioral sciences, and behavioral biology. Our aim is to encourage scientists to publish their experimental and theoretical results in as much detail as possible. There is no restriction on the maximum length of the papers. The full experimental details of each reserach paper need to be provided so that the results can be reproduced. Electronic files or soware regarding the full details of the calculation and experimental procedure, if unable to be published in a normal way, can be deposited as supplementary material.
