Change of Affiliations

In the published publication [1], there was an error regarding the affiliation of Alexander Dömling. The affiliation of Professor Dömling with the “Department of Innovative Chemistry, Palacký University, CATRIN, Šlechtitelů 241/27, 779 00 Olomouc, Czech Republic” should be removed. Thus, the updated affiliation is as follows: Department of Drug Design, University of Groningen, A. Deusinglaan 1, 9713 AV Groningen, The Netherlands. The reason for the affiliation mix-up is that the coauthor Alexander Dömling changed affiliations from the Netherlands to Czechia during the submission process. The authors state that the scientific conclusions are unaffected. This correction was approved by the Academic Editor. The original publication has also been updated.
