Error in Table

In the original publication [1], there was a mistake in “Table 6. Carcinogenic risks of some potentially to × ic metals in dry *Crataegus* samples.” as published. Table 5 was re-copied instead of Table 6. The corrected “Table 6. Carcinogenic risks of some potentially toxic metals in dry *Crataegus* samples.” appears below (Table 6). The authors state that the scientific conclusions are unaffected. This correction was approved by the Academic Editor. The original publication has also been updated.

Table 6. Carcinogenic risks of some potentially toxic metals in dry *Crataegus* samples.
