# Publisher's Note: *Nutraceuticals* Is Launched

Shu-Kun Lin

MDPI, St. Alban-Anlage 66, CH-4052 Basel, Switzerland; lin@mdpi.com

We first planned to launch the journal *Nutraceuticals* in 2007 and obtained ISSN: 1661-3821 for *Nutraceuticals* on 28 March 2007. After a very lengthy preparation, we formally declare the start of this journal in 2021.

We have the journals *Nutrients* [1] and *Pharmaceuticals* [2]. We have been running a section called Bioactives and Nutraceuticals for the *International Journal of Molecular Sciences* (ISSN: 1422-0067) [3]. It will be good to start the interdisciplinary journal *Nutraceuticals* related to nutrition, food and medicine.

Prof. Dr. Luisa Tesoriere accepted our invitation to fill the position of the Editor-in-Chief of *Nutraceuticals* [4]. We are looking forward to running this journal to be a leading forum for the authors and readers active in the nutraceutical research fields.

As with the running of other MDPI journals, we will maintain a fast and rigorous peer review process [5] for *Nutraceuticals*. We hope that you will enjoy publishing with us.

**Funding:** This research received no external funding.
