Frequency distribution of IgG for almond

Concentration of specific IgG for barley almond (U/ml)

Frequency distribution of IgG for *Aspergillus fumigatus*
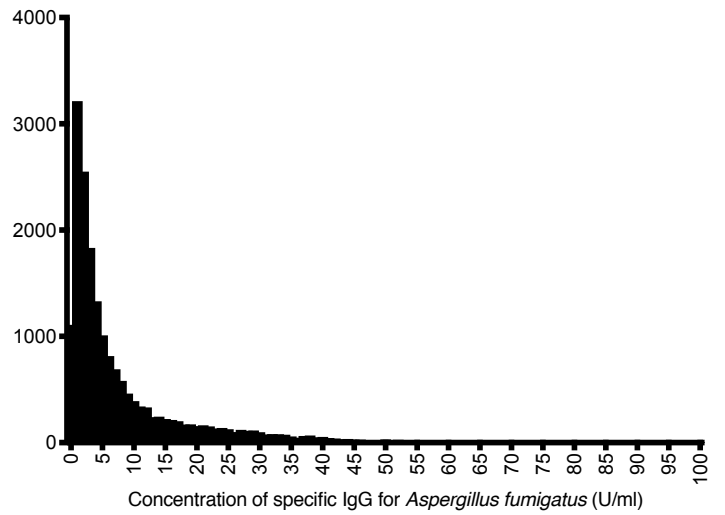

Concentration of specific IgG for *Aspergillus fumigatus* (U/ml)

# Frequency distribution of IgG for barley

Concentration of specific IgG for barley (U/ml)

Frequency distribution of IgG for barley malt
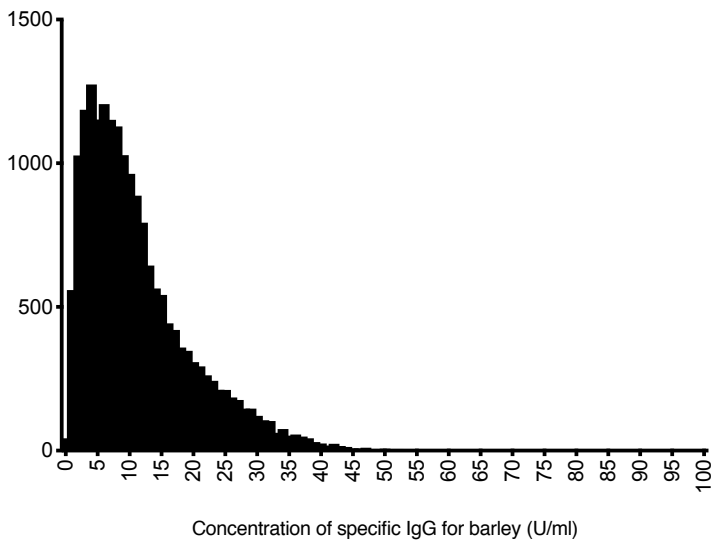

Concentration of specific IgG for barley malt (U/ml)

Frequency distribution of IgG for buckwheat

Concentration of specific IgG for buckwheat (U/ml)
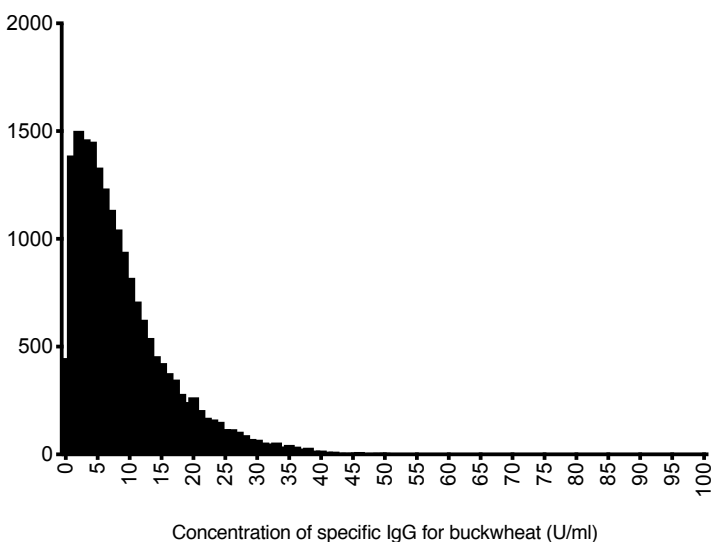

Frequency distribution of IgG for *Candida albicans*

Concentration of specific IgG for *Candida albicans* (U/ml)
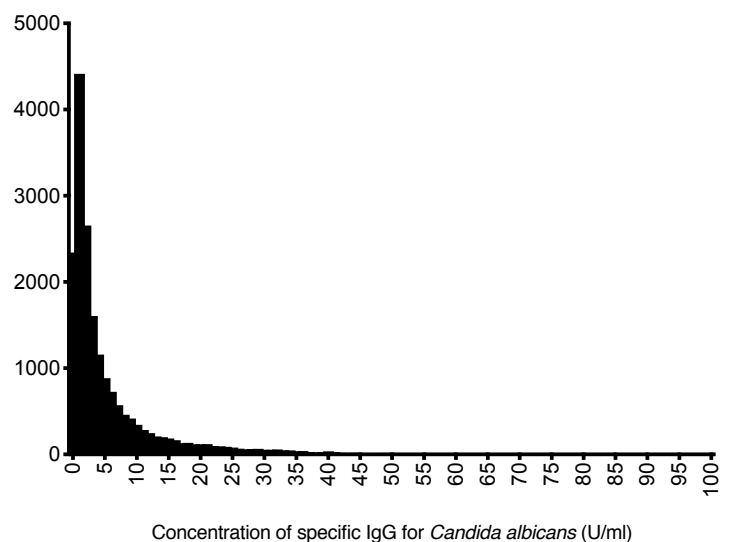

## Frequency distribution of IgG for canned tuna
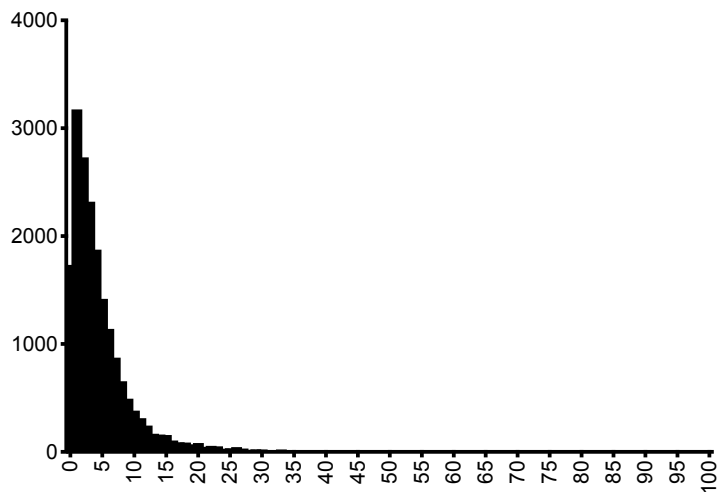

Concentration of specific IgG for canned tuna (U/ml)

Frequency distribution of IgG for champignon mushrooms

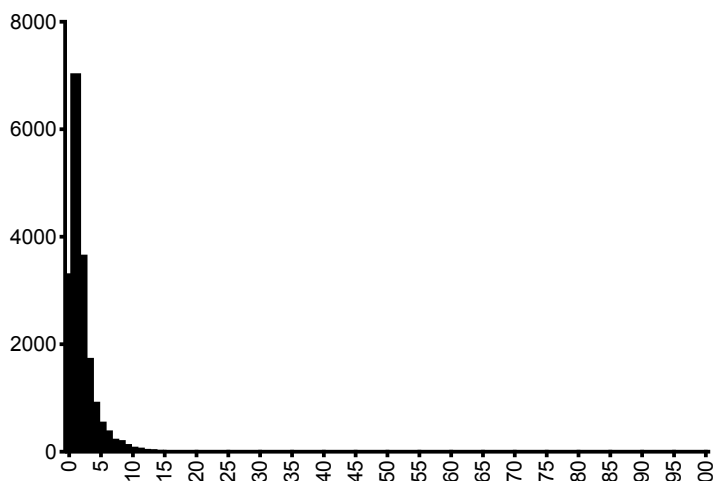

Concentration of specific IgG for champignon mushrooms (U/ml)

Frequency distribution of IgG for chicken

Concentration of specific IgG for chicken (U/ml)
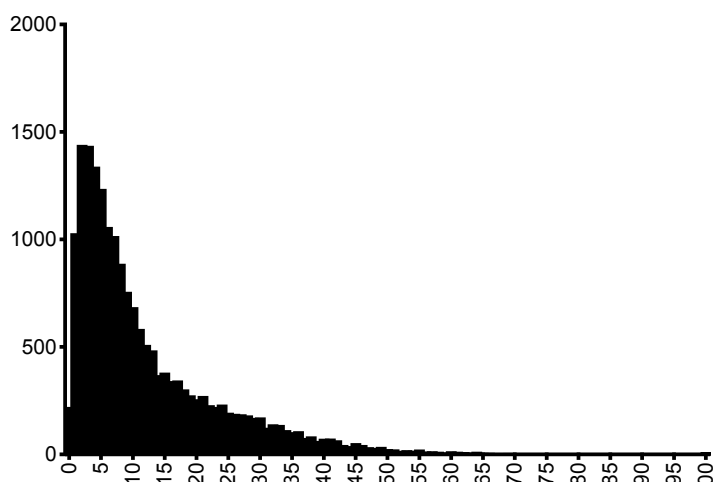

Frequency distribution of IgG for corn

Concentration of specific IgG for corn (U/ml)

## Frequency distribution of IgG for red grape

Concentration of specific IgG for red grape (U/ml)

## Frequency distribution of IgG for goat milk

Concentration of specific IgG for goat milk (U/ml)
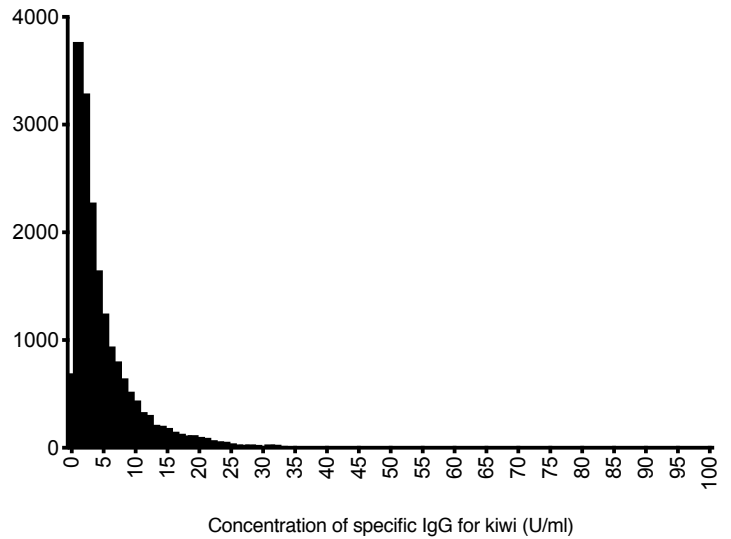

Frequency distribution of IgG for hazelnut

Frequency distribution of IgG for honey
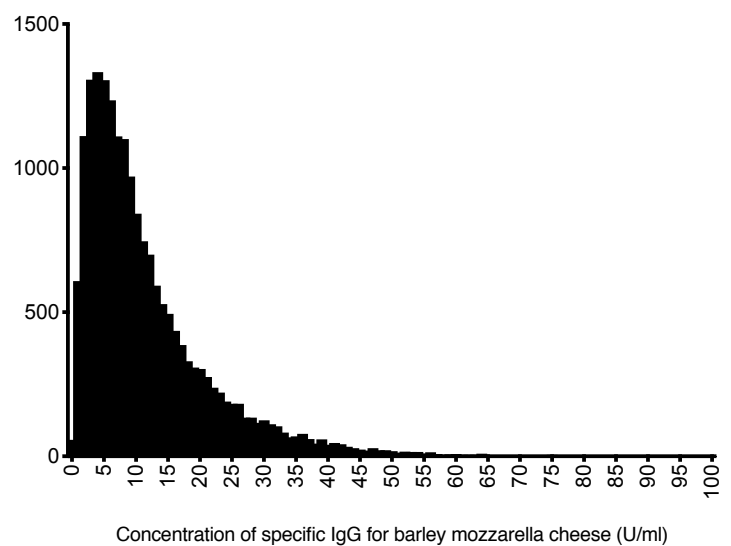

Frequency distribution of IgG for kamut

Frequency distribution of IgG for kiwi

Frequency distribution of IgG for lentil

Frequency distribution of IgG for mozzarella cheese

## Frequency distribution of IgG for oat

Concentration of specific IgG for oat (U/ml)

Frequency distribution of IgG for olive

Concentration of specific IgG for olive (U/ml)

Frequency distribution of IgG for onion

Concentration of specific IgG for onion (U/ml)

Frequency distribution of IgG for orange

Concentration of specific IgG for orange (U/ml)

Frequency distribution of IgG for parmesan cheese

Concentration of specific IgG for parmesan cheese (U/ml)

Frequency distribution of IgG for peach

Concentration of specific IgG for peach (U/ml)

Frequency distribution of IgG for porcini mushrooms
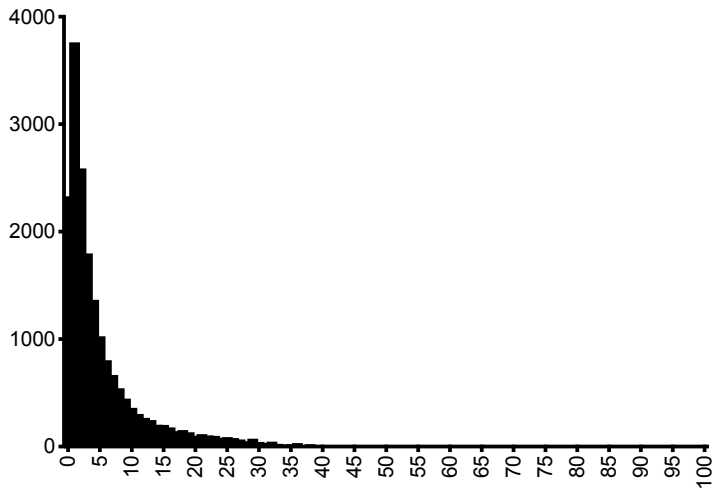

Concentration of specific IgG for porcini mushrooms (U/ml)
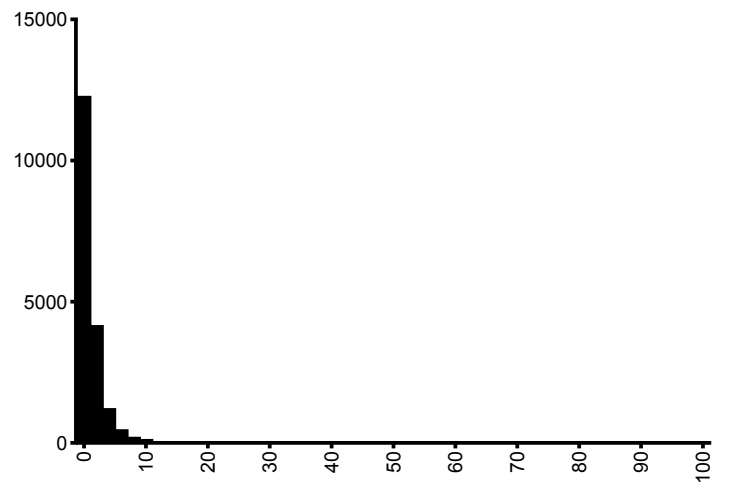

Frequency distribution of IgG for potato

Concentration of specific IgG for potato (U/ml)
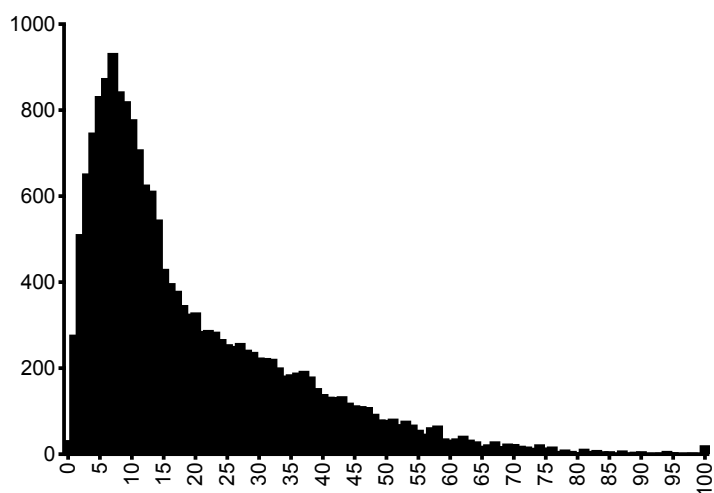

Frequency distribution of IgG for red grape

Concentration of specific IgG for red grape (U/ml)
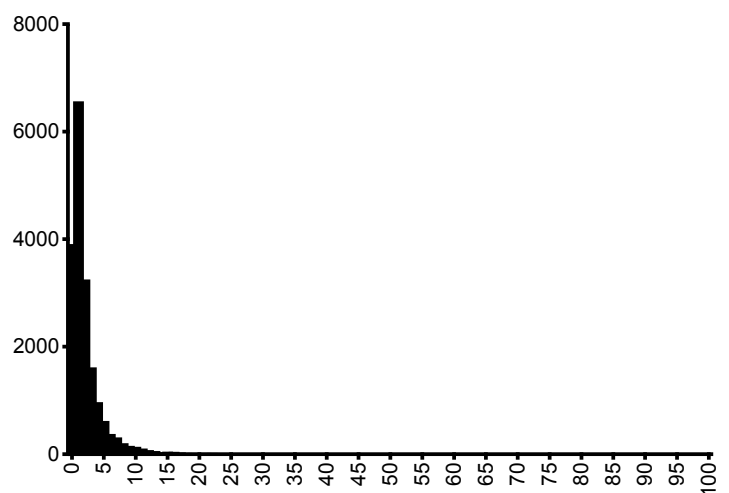

Frequency distribution of IgG for rice

Concentration of specific IgG for rice (U/ml)
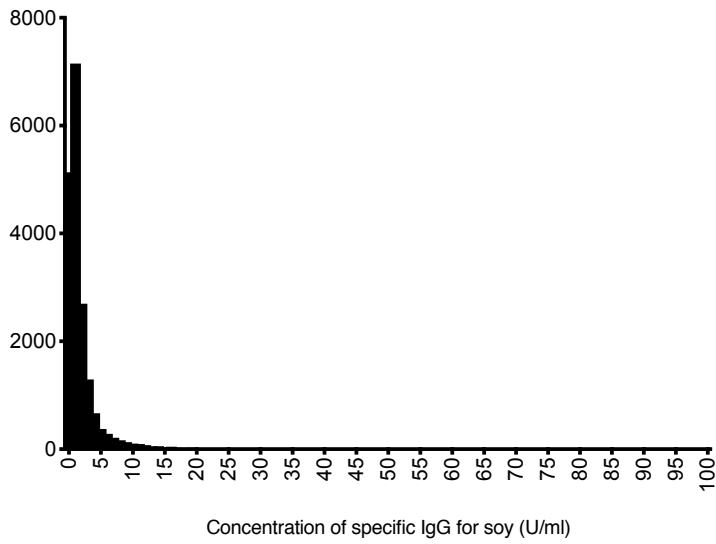

Frequency distribution of IgG for ricotta cheese

Concentration of specific IgG for ricotta cheese (U/ml)
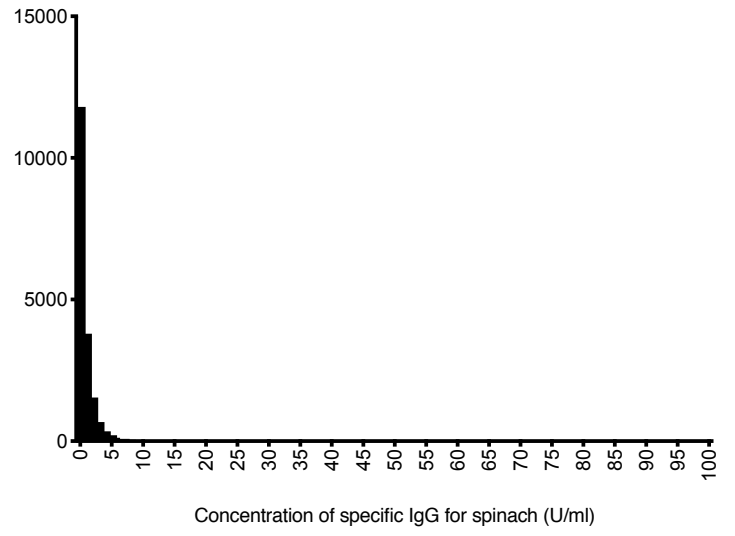

Frequency distribution of IgG for rye

Concentration of specific IgG for rye (U/ml)
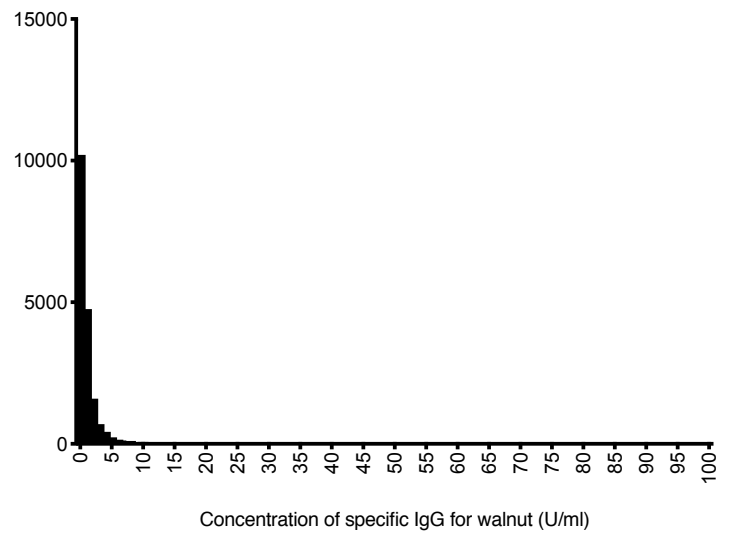

Frequency distribution of IgG for soy

Concentration of specific IgG for soy (U/ml)

Frequency distribution of IgG for spinach

Concentration of specific IgG for spinach (U/ml)

Frequency distribution of IgG for tea

Concentration of specific IgG for tea (U/ml)

Frequency distribution of IgG for walnut

Concentration of specific IgG for walnut (U/ml)

Frequency distribution of IgG for zucchini

Concentration of specific IgG for zucchini (U/ml)
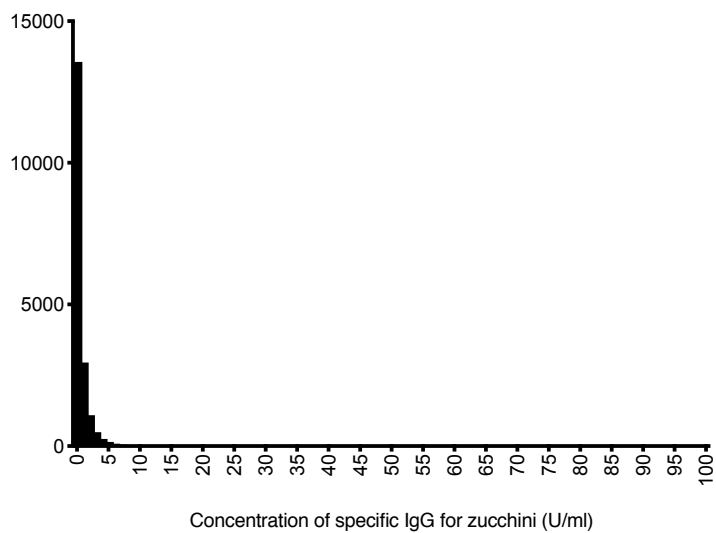

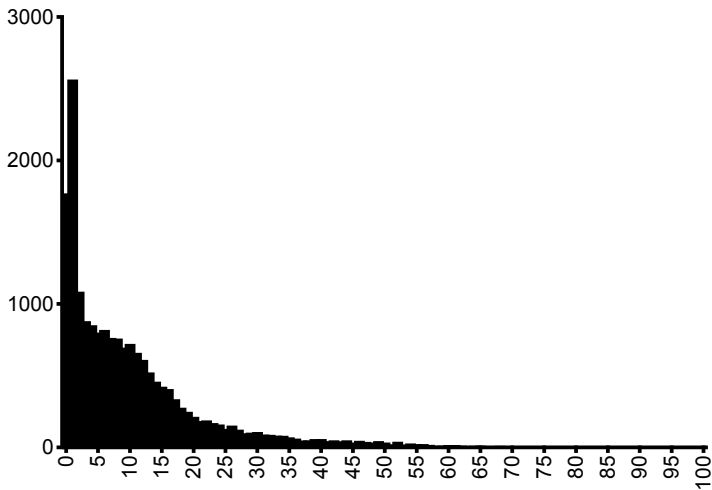

Frequency distribution of IgG for beer yeast
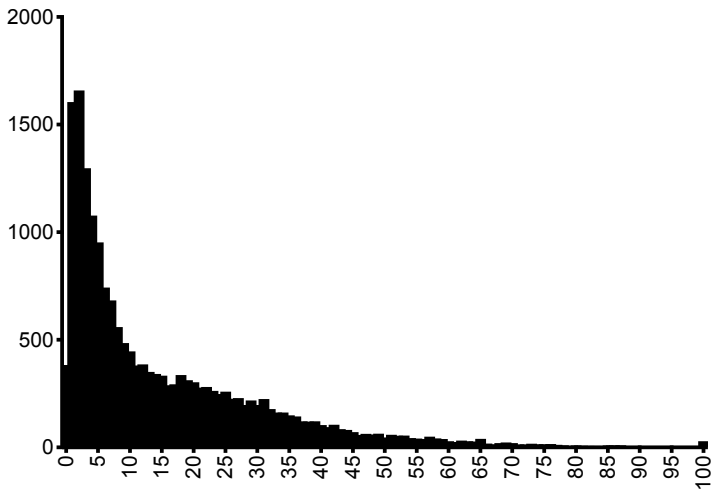

Concentration of specific IgG for beer yeast (U/ml)

Frequency distribution of IgG for durum wheat

Concentration of specific IgG for durum wheat (U/ml)

Frequency distribution of IgG for pork

Concentration of specific IgG for pork (U/ml)

Frequency distribution of IgG for processed cheese

Concentration of specific IgG for processed cheese (U/ml)

Frequency distribution of IgG for spelt

Concentration of specific IgG for spelt (U/ml)
