Error in Abstract

Se-NPS should be Se-NPs.

Error in Table 2

In the original publication [1], there was a mistake and the corrections are as follows:

2.2. Foliar Application of Nano-Selenium (Se-NPs)

The Se-NPs was purchased from Sigma Aldrich Co. (Sigma-Aldrich, 99.5% purity of Se-NPs) with properties shown in Table 2.

Table 2. Some major properties of the Se-NPs used in this study.

The Property	The Unit	The Value
Diameter	nm	80
Surface area	m ² g ^{−1}	30–50
Density	g cm ^{−3}	3.89
Purity	%	99.5
Morphology	Spherical	

The authors state that the scientific conclusions are unaffected. This correction was approved by the Academic Editor. The original publication has also been updated.
