Message from the Editor-in-Chief

You are invited to contribute either a research article or a comprehensive review for consideration and publication in *Standards* (ISSN 2305-6703). *Standards* is published in open access format – research articles, reviews, and other content are released on the internet immediately after acceptance. The scientific community and the general public have unlimited, free access to the content. As an open access journal, *Standards* is supported by the authors and their institutes through the payment of article processing charges (APCs) for accepted papers. We would be pleased to welcome you as one of our authors.

Editor-in-Chief
Prof. Dr. Peter Glavič

Aims

Standards is an international scientific open access journal that publishes original papers, review articles, and communications related to standardization, inspection, verification, certification, testing, quality control, and rating. Our aim is to encourage researchers to publish their experimental and theoretical results in as much detail as possible. There is no restriction on the maximum length of the papers.

Scope

Subject areas include:
- standardization
- standards in research, development and production
- standards
- inspection, verification, certification
