Message from the Editor-in-Chief

Geriatrics is an interface between specialists and academics from various disciplines who possess an interest in geriatrics, bridging theoretical frameworks and clinical applications.

This open access journal offers a platform for all interested parties engaged in basic research and healthcare studies to share their findings, additionally encouraging the exchange of information from its readership. Our objective is to provide access to scientifically grounded and practice-oriented topics within the field of geriatrics.

Editor-in-Chief
Prof. Dr. Ralf Lobmann

Section Editors-in-Chief
Prof. Dr. David G. Smithard
Prof. Dr. Patricia Schofield
