Message from the Editor-in-Chief

Radiation (ISSN 2673-592X) is an international peer-reviewed, open access journal published quarterly by MDPI. It focuses on scientific advances in the fields of radiotherapy, radiology, physics, radiochemistry and technologies related to radiation research. *Radiation* provides a platform to disseminate high-quality, original research and reviews in the topics: Medicine, Biology, Engineering and Biophysics and Physics.

Editor-in-Chief
Prof. Dr. Gabriele Multhoff

Aims

Radiation is a peer-reviewed Open Access journal on radiology published online by MDPI. It publishes article types including Research Papers, Reviews, Editorials, Communications, etc. Our aim is to encourage scientists to publish their experimental and theoretical results in as much detail as possible. The full experimental details must be provided so that the results can be reproduced.

Scope

Topics of interest include but are not limited to the following:

- Medicine: diagnosis, imaging, radio-oncology, radio-surgery, radio-immunotherapy, radiology, clinical trials
- Biology: biological imaging, radiation immuno-biology, radiation sensitivity/ resistance, preclinical radiation models
- Engineering: detectors, computational and biomedical imaging, biophysical and biochemical engineering
- Biophysics and physics: radiation sources (e.g., cosmos, photons, particles), radiation planning, radiation dosimetry, radiation protection

Author Benefits

Open Access

Unlimited and free access for readers

No Copyright Constraints

Retain copyright of your work and free use of your article

Thorough Peer-Review

Discounts on Article Processing Charges (APC)

If you belong to an institute that participates with the MDPI Institutional Open Access Program

No Space Constraints, No Extra Space or Color Charges

No restriction on the maximum length of the papers, number of figures or colors

Journal Rank

CiteScore - Q2 (Radiation)

Coverage by Leading Indexing Services

Scopus and other databases

Rapid Publication

A first decision is provided to authors approximately 21 days after submission; acceptance to publication is undertaken in 4.6 days (median values for papers published in this journal in the first half of 2026)
