Message from the Editor-in-Chief

Birds is a peer-reviewed open access journal of ornithology. *Birds* is published quarterly online by MDPI.

Editor-in-Chief

Dr. Jukka Jokimäki

Aims

Birds (ISSN 2673-6004) is an international, peer-reviewed, and open access ornithological journal. It publishes original ornithological research articles, reviews, and communications that offer substantial new insight into any field of study that involves wild birds, with special emphasis on bird ecology, communities, conservation, and behavioral ecology. Multidisciplinary papers related to birds will be considered. Manuscripts reporting novel behavioral observations might be considered as Brief Reports or Communications. There is no restriction on the maximum length of the papers. Our aim is to encourage scientists to publish their theoretical, basic, applied, and experimental research in *Birds*. Full study methods and/or experimental details must be provided for research articles so that the results can be reproduced.

Scope

- Bird ecology and biogeography
- Bird communities and populations
- Bird behavior
- Bird conservation
- Bird immunology, health, and diseases
- Bird systematics, taxonomy, and evolution
- Bird physiology and reproduction
- Bird migration
- Birds and people
- Birds and climate change
- Birds and land use
- Birds and environment relationships
- Multidisciplinary bird research
- Natural and unnatural history of birds
- Novel behavior of birds
