# Message from the Editor-in-Chief

I am delighted to reach out and encourage you to share your latest research or an in-depth review with the *International Journal of Cognitive Sciences*. Our journal provides a global platform for advancing knowledge across the many disciplines that study the mind and cognition, including psychology, neuroscience, linguistics, philosophy, artificial intelligence, anthropology, and education.

At IJCS, we commit to the following:

- Open access—every article is freely available to readers worldwide.
- Rigorous yet efficient peer review—ensuring quality while maintaining a prompt publication timeline.
- A broad and integrative scope—welcoming diverse methodologies, perspectives, and formats without strict limits on manuscript length.

You can find details about our aims, scope, and submission process on the journal's website.

I warmly invite you to contribute to this growing community of scholars and help shape the ongoing conversation in the field of cognitive sciences.
